At the starting of the idea of the **POTLI OF HAPPINESS (Ration kit to fight hunger)**, we didn't know, how it will start and where will Agape get the help from or whom all can we help. Though as it's said **don't wait for good things to happen to you. If you go some extra miles you will fill the world with happiness.** With the help of our donors we are still on wheels on distribution of POTLI OF HAPPINESS.

It's not the ending but one more achievement added to Agape's journey. When people are scared for their own lives, AGAPE as a team went into the field making the impossible a SUCCESS with the help of all those people who believed and contributed in spreading in its true sense of THE UNCONDITIONAL LOVE.

Thank you for Joining Us in our mission for spreading happiness in lives of underprivileged people. Together We Can.
