

Menstrual Hygiene Awareness Session and Pad Distribution

Agape Blessed Foundation, committed to fostering social welfare and health awareness, organized a significant event on April 4, 2023, aimed at addressing menstrual hygiene and providing necessary resources to underserved communities. This initiative was part of our ongoing project, "Masik Samyojna," focusing on menstrual health management.

The event commenced with an engaging menstrual hygiene awareness session conducted by experts in the field. Participants were enlightened about the importance of menstrual hygiene, debunking myths and misconceptions, and promoting safe practices for menstrual health management. Interactive discussions and informative sessions helped break the taboo surrounding menstruation and encouraged open dialogue.

Following the awareness session, Agape Blessed Foundation distributed menstrual hygiene products, including sanitary pads, to the attendees. This distribution aimed to alleviate the financial burden associated with accessing menstrual hygiene products and ensure that individuals have access to safe and hygienic resources during menstruation.

Moving forward, Agape Blessed Foundation aims to continue its efforts in menstrual health management through sustained awareness campaigns, educational programs, and resource distribution initiatives. We remain steadfast in our mission to empower communities and ensure access to essential healthcare resources for all.

Menstrual Hygiene Awareness Session and Pad Distribution Event

The menstrual hygiene awareness session and pad distribution conducted by Agape Blessed Foundation on May 25, 2024, in Malka Ganj under the Masik Samyojna Project was a resounding success. The event contributed to advancing the foundation's mission of promoting health, dignity, and empowerment among women and girls in underserved communities.

Tobacco Awareness and Prevention Session

On May 26, 2024, Agape Blessed Foundation conducted a session on tobacco awareness and prevention for children in need of care and protection at Kashmir Gate Child Care Home. The aim of the session was to educate and empower these vulnerable children about the dangers of tobacco use and equip them with knowledge and skills to resist its influence.

Facilitators encouraged open discussions to address any questions or concerns the children had regarding tobacco use and its impact on their lives. The session was met with enthusiasm and active participation from the children. They demonstrated increased awareness about the risks associated with tobacco use and showed a willingness to adopt healthier lifestyle choices. By empowering these children with knowledge and skills, we hope to contribute to a future generation that is resilient against the harms of tobacco addiction.

Educational Tour Organized by Agape Blessed Foundation Trust

Agape Blessed Foundation Trust organized an educational tour on 27th May 2023, aimed at enriching the experiences of children with disabilities. The tour was meticulously planned to provide them with exposure to various facets of learning and entertainment. This report highlights the key activities and outcomes of the tour.

The Objectives was to provide educational and recreational opportunities for children with disabilities and enhance their understanding of science, culture, and history.

Tour Itinerary:

Science Museum Visit: The tour commenced with a visit to the Science Museum, where the children engaged in interactive exhibits, demonstrations, and hands-on activities.

Doll Museum: Following the Science Museum visit, the group proceeded to the Doll Museum, which offered a unique cultural experience. The children had the opportunity to witness a diverse collection of dolls from different regions, enabling them to appreciate the rich cultural heritage of India.

India Gate: The final destination of the tour was the iconic India Gate, a symbol of national pride and heritage. Here, the children enjoyed leisurely walks, picnics, and group activities amidst the picturesque surroundings. This segment aimed to instill a sense of patriotism and appreciation for the country's history and landmarks.

Child Safety Session Organized by Agape Blessed Foundation Trust

Agape Blessed Foundation Trust organized a crucial session on child safety on June 1st, 2023, at Lahori Gate. The session aimed to address the safety concerns of children, particularly those coming from families involved in sex work at GB Road, who attend non-formal education programs in the area.

The session began with an interactive discussion on what personal safety means and why it is important. Children were encouraged to share their thoughts and experiences regarding safety concerns they may have faced.

Children were taught how to identify trusted adults they can turn to in case of emergencies or when they feel unsafe. Emphasis was placed on the importance of having reliable adults in their lives whom they can confide in.

A critical aspect of the session was educating children about safe and unsafe touches. Through age-appropriate language and examples, they were taught to recognize and differentiate between appropriate and inappropriate physical contact.

To reinforce learning, role-play exercises were conducted where children practiced assertive communication skills and learned how to say "no" in situations where they feel uncomfortable or threatened.

Moving forward, Agape Blessed Foundation Trust plans to conduct regular follow-up sessions and workshops on child safety to ensure that children continue to build upon the knowledge and skills acquired during this session.

Fun Activity at Lahori Gate

On the 3rd of June 2023, Agape Blessed Foundation Trust organized a fun activity session at Lahori Gate. The primary aim of this event was to provide a recreational and educational opportunity for children from GB Road who come here for non-formal education. These children, unfortunately, belong to families of sex workers, and thus face numerous challenges in their everyday lives.

Children were provided with art supplies such as crayons, markers, colored pencils, and papers. They enthusiastically participated in drawing, coloring, and crafting activities, expressing their creativity and imagination.

Volunteers from Agape Blessed Foundation Trust conducted storytelling sessions, captivating the children with engaging tales and moral lessons. This activity not only entertained the children but also fostered their love for storytelling and reading.

Session on Child Labour Day

Agape Blessed Foundation Trust organized a meaningful event on June 12, 2023, commemorating Child Labour Day at Lahori Gate. This event held special significance as it aimed to raise awareness about the plight of children engaged in labor, particularly those hailing from vulnerable backgrounds. Notably, Lahori Gate served as a poignant venue, as it attracts children from GB Road, seeking non-formal education opportunities. These children, often overlooked and marginalized, hail from families where parents are engaged in sex work.

The event commenced with a series of enlightening sessions focused on highlighting the detrimental effects of child labor on physical, mental, and emotional well-being. Speakers emphasized the importance of education and advocated for the rights of every child to a safe and nurturing environment conducive to learning and growth. Furthermore, discussions delved into the underlying socioeconomic factors perpetuating the cycle of child labor, shedding light on the need for comprehensive interventions at both grassroots and policy levels.

One of the key highlights of the event was the poster-making activity, which engaged children from GB Road in creative expression. Through vibrant colors and poignant imagery, these young artists conveyed powerful messages advocating for the eradication of child labor and the promotion of education as a pathway to a brighter future. Their artwork served as a testament to resilience and hope, capturing the essence of the day's theme.

Yoga Day Celebration at Mahila Samman Ashiyana

On June 21, 2023, the Agape Blessed Foundation Trust organized a Yoga Day celebration at Mahila Samman Ashiyana in Malka Ganj. The event aimed to promote physical and mental well-being among the inmates residing in the shelter home. Yoga, known for its holistic benefits, was chosen as a means to empower and rejuvenate the women living in the shelter. The event commenced with an introduction to the significance of Yoga Day, emphasizing its role in fostering harmony and balance in life.

Throughout the day, various yoga sessions were conducted by experienced instructors, catering to different skill levels and physical capabilities of the participants. From gentle stretching exercises to more advanced asanas, the sessions were tailored to suit the needs of the inmates, ensuring inclusivity and accessibility for all. Participants were guided through breathing techniques and meditation practices, fostering a sense of tranquility and inner peace amidst their challenging circumstances.

The atmosphere at Mahila Samman Ashiyana was filled with positivity and enthusiasm as the women wholeheartedly engaged in the yoga sessions. Beyond the physical benefits, the practice of yoga served as a powerful tool for self-reflection and empowerment, enabling the participants to cultivate resilience and inner strength. Moreover, the event provided a platform for social interaction and camaraderie, fostering a sense of community among the inmates.

Understanding Puberty

On the 12th of July 2023, Agape Blessed Foundation Trust organized a workshop titled "Understanding Puberty" at the Kashmiri Gate Shelter Home for children. The aim of the workshop was to educate and empower children in the shelter home about the physical and emotional changes they may experience during puberty.

Workshop Session Highlights:

The workshop began with an introduction to puberty, led by experts in child psychology and healthcare. They discussed the biological changes that occur during puberty, including hormonal changes and physical growth. The session emphasized the importance of understanding these changes to navigate through this phase smoothly.

Following the introductory session, there were interactive discussions and Q&A sessions where children could freely ask questions and express their concerns. It was heartening to see the engagement and curiosity among the participants, demonstrating their eagerness to learn and understand.

Additionally, the workshop addressed topics such as personal hygiene, mental health, and emotional well-being during puberty. Experts provided practical tips and advice on maintaining good hygiene practices and coping with emotional challenges that may arise during this period of transition.

The workshop also highlighted the significance of healthy relationships and communication with caregivers and peers. Children were encouraged to seek support from trusted adults and friends if they faced any difficulties or had questions about puberty.

Cloth Distribution Drive

On July 22, the Agape Blessed Foundation Trust orchestrated a commendable cloth distribution drive at Rangpuri, marking a significant effort towards community welfare. The initiative aimed to address the pressing need for clothing among the underprivileged populace residing in the area. The event unfolded with meticulous planning and coordination, reflecting the dedication of the Trust towards social welfare. A team of volunteers, equipped with bundles of clothing donations, assembled at the designated location, ready to extend a helping hand to those in need.

As the day progressed, the enthusiasm among both volunteers and recipients became palpable. Families and individuals from the local community gathered, eagerly awaiting the distribution of garments. Each item of clothing was distributed thoughtfully, ensuring that it catered to the diverse needs of the recipients. From children's wear to adult clothing, the assortment encompassed a wide range of sizes and styles, ensuring inclusivity and practicality. The distribution process was conducted with utmost respect and empathy, fostering a warm and supportive atmosphere throughout the event.

The impact of the cloth distribution drive extended far beyond the tangible donations. It served as a catalyst for solidarity and compassion within the community, exemplifying the power of collective action in addressing social issues. Through this initiative, the Agape Blessed Foundation Trust not only provided essential clothing but also imparted a sense of dignity and hope to those in need. Furthermore, the event underscored the importance of collaboration between nonprofit organizations, local authorities, and community members in driving positive change.

Safe and Unsafe Touch Session at Green Land Public School

On 24.08.2023, Agape Blessed Foundation Trust conducted a session on safe and unsafe touch at Green Land Public School with the aim of educating students about personal safety and raising awareness about appropriate boundaries. The session aimed to equip students with the knowledge and skills to recognize and respond to situations involving safe and unsafe touches.

Session Details: The session was conducted by experienced professionals from Agape Blessed Foundation Trust who specialize in child protection and safety education. The target audience for the session were students from various grades, divided into age-appropriate groups.

Topics Covered:

1. **Understanding Safe and Unsafe Touches:** The session began by explaining the difference between safe and unsafe touches. Safe touches, which include hugs from family members, handshakes, and medical examinations with a parent or guardian present, were contrasted with unsafe touches, which involve discomfort, secrecy, and manipulation.
2. **Recognizing Warning Signs:** Students were educated about the warning signs associated with unsafe touches, such as feeling uncomfortable, coerced secrecy, or being touched in private areas. The importance of trusting their instincts and not keeping secrets that make them uncomfortable was emphasized.
3. **Setting Boundaries:** The session emphasized the importance of setting personal boundaries and teaching students how to say "no" to uncomfortable or unsafe situations. They were encouraged to communicate openly with trusted adults about any concerns they may have.
4. **Identifying Trusted Adults:** The students were guided in identifying trusted adults in their lives whom they could confide in if they encountered an unsafe situation. Parents, teachers, school counselors, and family members were highlighted as potential sources of support.
5. **Reporting Procedures:** The procedures for reporting unsafe touches were explained clearly. Students were informed about the importance of reporting such incidents to a trusted adult and the steps that would be taken to ensure their safety and well-being.

Interactive Activities: The session included age-appropriate interactive activities such as group discussions, and the opportunity for students to ask questions. These activities were designed to engage the students and reinforce the concepts presented during the session.

Feedback and Impact: The students exhibited active participation and were attentive throughout the session. The interactive activities provided opportunities for them to express their thoughts and clarify doubts. Feedback from both students and school staff was positive, indicating that the session was informative and engaging.

Conclusion: The safe and unsafe touch session conducted by Agape Blessed Foundation Trust at Green Land Public School proved to be successful in imparting crucial knowledge about personal safety and boundaries. By equipping students with the skills to recognize and respond to unsafe situations, the session contributed to creating a safer environment for the students.

Acknowledgments: Agape Blessed Foundation Trust expresses gratitude to Green Land Public School for providing the platform to conduct this important session. The collaborative effort between the Trust and the school has helped empower students with valuable life skills.

Chandrayaan-3' Success through Drawing Activity and Learning with Fun Session

Date: 26.08.2023

Location: Agape Blessed Foundation Trust, Sultanpur

Duration: 2:30 pm – 5:00 Pm

Introduction: Agape Blessed Foundation Trust organized a creative and educational event centered around the success of Chandrayaan 3, India's lunar exploration mission. The event aimed to engage children in a drawing activity that celebrated the achievement of the mission, followed by a "Learning with Fun" session to enhance their understanding of space and science.

Chandrayaan 3 Success Drawing Activity: The event began with a drawing activity related to the Chandrayaan 3 mission. Children were provided with art supplies and encouraged to depict their interpretation of the lunar exploration. They were guided to include elements such as the spacecraft, the moon's surface, and the excitement of the mission's success.

The drawing activity not only allowed children to showcase their creativity but also provided an opportunity to learn about space exploration and India's scientific achievements. The participants enthusiastically shared their drawings, which reflected a blend of artistic imagination and an understanding of the mission's significance.

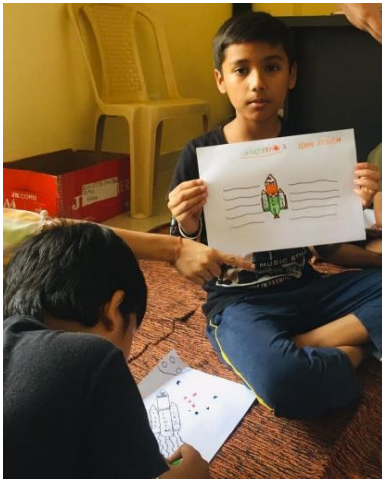

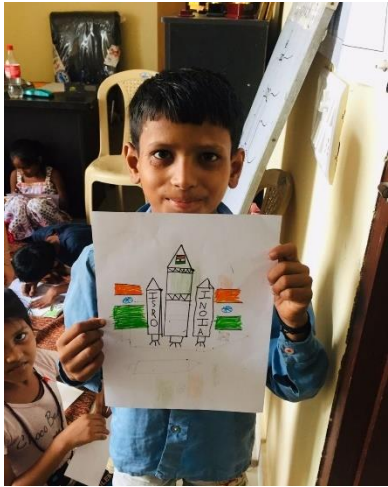

Learning with Fun Session: Following the drawing activity, the "Learning with Fun" session commenced. This segment aimed to provide children with an educational yet enjoyable experience related to space science.

Topics Covered:

- 1. Introduction to Chandrayaan Missions:** Children were introduced to India's Chandrayaan missions, their objectives, and the scientific discoveries they have made. The success of Chandrayaan 3 was highlighted as a significant achievement for the country.
- 2. Understanding the Moon:** The session delved into the moon's characteristics, its importance in space exploration, and the mysteries scientists are still trying to unravel. Visual aids and interactive discussions kept the children engaged and eager to learn.

Refreshment Distribution: As a gesture of appreciation for the children's active participation, Agape Blessed Foundation Trust provided refreshments to all attendees. This gave the children a chance to socialize and interact with their peers while enjoying a light snack.

Impact and Feedback: The event received enthusiastic participation from children of various age groups. The drawing activity allowed children to express their artistic skills while learning about space exploration. The "Learning with Fun" session was well-received, with children actively participating in discussions and activities.

Conclusion: The Chandrayaan 3 Success Drawing Activity and Learning with Fun Session organized by Agape Blessed Foundation Trust successfully combined creativity and education. By celebrating India's achievements in space exploration and providing interactive learning experiences, the event ignited curiosity and a love for science among the young participants.

Acknowledgments: The success of the Winter Drive would not have been possible without the dedicated efforts of Agape Blessed Foundation's volunteers and the support of the local community. The foundation extends its gratitude to everyone involved for their time, contributions, and commitment to making a positive impact.

Conclusion: Agape Blessed Foundation's Winter Drive at Malka Ganj Basti not only addressed the immediate needs of the residents during the winter season but also created moments of joy and connection within the community. This event reflects the foundation's ongoing commitment to serving and uplifting the lives of those in need.

Cyber Bullying Awareness Session

Date: 18.01.2024

Location: Sultanpur

Conducted by: Agape Blessed Foundation Trust

Objective:

The Agape Blessed Foundation Trust organized a session on cyberbullying awareness targeting children aged 6 to 12 years. The primary goal was to educate young minds about the potential dangers of cyberbullying and equip them with essential knowledge on online safety.

Session Highlights:

1. **Introduction to Cyberbullying:** The session commenced with an introduction to cyberbullying, explaining it as the use of technology to harass, threaten, or embarrass someone. The importance of addressing this issue and creating a safe online environment for children was emphasized.
2. **Age-Appropriate Content:** Recognizing the age group, the content of the session was tailored to suit the cognitive abilities of children aged 6 to 12 years. Animated visuals, interactive games, and relatable scenarios were used to engage the young participants effectively.
3. **Understanding Online Safety - The 4 Cs:** The concept of online safety was conveyed using the framework of the "4 Cs": **Content, Contact, Conduct, and Contract.**
 - **Content:** Children were taught to be mindful of the content they access online. The session covered the importance of age-appropriate material and how to recognize and report inappropriate content.
 - **Contact:** The concept of online contact was explained, stressing the significance of only interacting with known friends and family. Children were encouraged to inform a trusted adult if they ever encounter a stranger online.
 - **Conduct:** Good online behavior was emphasized. The session covered the basics of being respectful, kind, and responsible while communicating in the digital space. Participants were encouraged to think before they post or comment.
 - **Contract:** Children were introduced to the idea of creating a "family online safety contract." This involved setting guidelines for internet use at home, such as time limits, sharing passwords with parents, and reporting any uncomfortable experiences.

4. **Interactive Activities:** The session included interactive activities like role-playing, quizzes, and group discussions. These activities aimed to reinforce the key concepts of cyberbullying prevention and online safety in a fun and engaging manner.
5. **Q&A Session:** A question-and-answer session allowed children to express their thoughts and seek clarification on various aspects of online safety. The Trust's experts addressed queries, ensuring that children left with a clear understanding of the discussed topics.

The Agape Blessed Foundation Trust's session on cyberbullying for children aged 6 to 12 years proved to be informative and engaging. By incorporating the 4 Cs framework, the foundation successfully conveyed essential online safety concepts to the young participants. The Trust remains committed to promoting a secure online environment for children and plans to conduct further sessions to address emerging challenges in the digital landscape.

National Girl Child Day Celebration

Date: 24.01.2024

Agape Blessed Foundation Trust celebrated National Girl Child Day with great enthusiasm as part of its Empowering the Young Minds Project. The day aimed to raise awareness about the importance of nurturing and empowering girl children and promoting their rights and opportunities.

Event Highlights:

1. **Teachers' Session:** To kickstart the celebration, teachers at the Agape Blessed Foundation Trust conducted an interactive session with the children. The session focused on educating the young minds about the significance of National Girl Child Day, highlighting the rights and potential of girl children. Teachers shared stories, anecdotes, and inspiring examples to emphasize the importance of equality and empowerment.
2. **Drawing Activity:** Following the informative session, a drawing activity was organized to encourage the children to express their thoughts and creativity on the theme of National Girl Child Day. The young participants enthusiastically showcased their artistic talents through colorful drawings that conveyed messages of empowerment, equality, and support for girls.

3. **Snack Sharing:** As a delightful break during the celebration, a snack-sharing session took place. Children and teachers gathered to enjoy a variety of snacks, fostering a sense of camaraderie and unity among the participants. This provided an opportunity for informal conversations about the day's significance and allowed everyone to relax and enjoy each other's company.

4. Conclusion and Reflection: The National Girl Child Day celebration by Agape Blessed Foundation Trust at the Empowering the Young Minds Project was a resounding success. The event not only educated the children about the importance of gender equality but also provided a platform for creative expression through the drawing activity. The snack-sharing session added a touch of joy and camaraderie to the occasion, reinforcing the sense of community within the organization.

Conclusion: National Girl Child Day serves as a crucial reminder to advocate for the rights and well-being of girl children. Agape Blessed Foundation Trust's celebration of this day through the Empowering the Young Minds Project reflects its commitment to instilling values of equality, education, and empowerment in the young minds under its care. Such initiatives contribute to building a brighter and more inclusive future for every girl child.

Republic Day Celebration

Date: 26.01.2024

Agape Blessed Foundation Trust, dedicated to the holistic development of underprivileged children through its Educational Project, celebrated Republic Day with immense patriotic fervor. The event showcased the talents of the children through dance performances, skits, group songs, and speeches, fostering a sense of national pride and unity. The program was attended by children, parents, and well-wishers, who witnessed the growth and achievements of the participating kids.

Event Highlights:

1. **Dance Performances:** The Republic Day celebration began with energetic and colorful dance performances by the children of Agape Blessed Foundation Trust. The dances depicted various cultural elements and themes related to India's rich heritage, celebrating the diversity and unity of the nation.

2. **Skits:** Following the dance performances, the children showcased their acting skills through skits that highlighted the values of democracy, unity in diversity, and the significance of the Constitution. The skits were not only entertaining but also conveyed important messages about responsible citizenship and civic duties.
3. **Group Song:** A soulful group song, resonating with patriotic melodies, added a musical touch to the celebration. The children, guided by their teachers, sang songs that reflected the spirit of the Republic and the ideals enshrined in the Constitution. The performance left a lasting impact on the audience, fostering a deep sense of patriotism.

4. **Speeches:** Several children from the Educational Project delivered heartfelt speeches expressing their thoughts on the importance of Republic Day, the freedom fighters who sacrificed for the nation, and the values that make India a vibrant democracy. The speeches showcased the children's confidence, articulation, and understanding of civic responsibilities.
5. **Parental Appreciation:** The program was attended by parents and guardians who were visibly proud of their children's performances and growth. The event provided an opportunity for parents to witness firsthand the talents and progress of their children, leading to a sense of appreciation for the efforts of Agape Blessed Foundation Trust in nurturing these young minds.
6. **Rashtrya Gaan and Laddoo Distribution:** The Republic Day celebration concluded with the singing of the National Anthem, "Rashtrya Gaan," uniting everyone in a collective expression of love for the country. As a sweet conclusion, laddoos were distributed, symbolizing the joy and sweetness that comes with celebrating the Republic Day.

The Republic Day celebration by Agape Blessed Foundation Trust was a testament to the organization's commitment to holistic child development and inculcating a sense of patriotism and responsibility in the young minds it serves. The event not only showcased the diverse talents of the children but also provided a platform for parents to appreciate the growth and achievements of their wards. Such celebrations contribute to building a strong sense of national identity and values among the future citizens of the country.

Dental Camp Organized by Agape Blessed Foundation in Collaboration with Dr. Vishal Malik

Date: 26.01.2024

Agape Blessed Foundation organized a Dental Camp in collaboration with Dr. Vishal Malik from Vaishali. The camp aimed to address oral health concerns among the children under the foundation's care, providing them with valuable knowledge and preventive measures to maintain good oral hygiene.

Event Highlights:

1. **Collaboration with Dr. Vishal Malik:** Dr. Vishal Malik, a respected dental professional from Vaishali, generously supported Agape Blessed Foundation in organizing the dental camp. His expertise and commitment to community health added immense value to the event, ensuring that the children received high-quality dental care and education.
2. **Oral Health Education:** The primary focus of the dental camp was to educate the children about the importance of oral hygiene. Dr. Vishal Malik conducted interactive sessions where he explained the basics of dental care, including proper brushing techniques, the significance of regular dental check-ups, and the role of a healthy diet in maintaining strong teeth.
3. **Dental Check-ups and Consultations:** As part of the camp, Dr. Malik and his team conducted thorough dental check-ups for all the children present. The examinations aimed to identify any existing dental issues and provide appropriate recommendations for treatment. Children received individualized consultations, and those requiring further dental care were referred for follow-up appointments.
4. **Distribution of Dental Kits:** To encourage and support the children in practicing good oral hygiene at home, dental kits containing toothbrushes, toothpaste, and informational pamphlets were distributed to all participants. The kits served as a tangible reminder of the importance of maintaining healthy dental habits.
5. **Q&A Session:** An interactive question-and-answer session allowed the children to engage with Dr. Malik and seek clarification on various aspects of oral health. This session facilitated a deeper understanding of the subject and empowered the children to take charge of their own dental well-being.

Conclusion: The Dental Camp organized by Agape Blessed Foundation in collaboration with Dr. Vishal Malik was a commendable initiative aimed at promoting oral health awareness among underprivileged children. The event not only provided essential dental care services but also equipped the children with knowledge and tools to maintain good oral hygiene in the long run. Such initiatives contribute significantly to the overall well-being of the children and underscore Agape Blessed Foundation's commitment to comprehensive healthcare.

Acknowledgments: Agape Blessed Foundation extends heartfelt gratitude to Dr. Vishal Malik for his valuable support and expertise in making the dental camp a meaningful and impactful event. Special thanks to all the volunteers and participants who contributed to the success of this initiative.

Substance Abuse Prevention Session for Children under Project "Empowering the Young Minds"

February 5, 2024

Location: Sultanpur

Introduction: Agape Blessed Foundation Trust, under its project "Empowering the Young Minds," organized a session on substance abuse prevention for children up to 12 years old in Sultanpur. The aim of the session was to educate children about the dangers of substance abuse and empower them with knowledge and skills to make healthy choices.

Activities and Discussions:

1. **Educational Presentation:** A comprehensive presentation was delivered, explaining the harmful effects of substance abuse on physical and mental health. The presentation utilized age-appropriate language and visuals to ensure understanding among the young audience.
2. **Interactive Discussions:** Engaging discussions were held to encourage participation and address any questions or concerns the children had about substance abuse.
3. **Role-Playing Activities:** Role-playing activities were conducted to simulate real-life scenarios and help children understand how to resist peer pressure and make positive decisions.
4. **Question and Answer Session:** Children were encouraged to ask questions throughout the session. One notable question raised was, "If substances are bad, why are they sold in markets?"

Response to Children's Question: The question raised by the children reflects a common misconception and provides an opportunity to clarify the issue. The response provided emphasized the following points:

1. **Regulation and Control:** Substances that are harmful, such as drugs and alcohol, are regulated and controlled by laws and regulations. However, despite these measures, illicit markets and illegal activities exist.
2. **Health Risks:** The fact that substances are sold does not negate their harmful effects. Many substances, even those legally sold, pose serious health risks and can lead to addiction, mental health problems, and other adverse consequences.
3. **Education and Awareness:** It is important to educate children about the dangers of substance abuse and empower them to make informed choices. By raising awareness and providing education, we can help children understand the risks associated with substance use and develop skills to resist peer pressure.
4. **Community Responsibility:** Ultimately, it is the responsibility of the community, including parents, educators, and policymakers, to work together to prevent substance abuse and protect children from harm.

Conclusion: The substance abuse prevention session for children under Project "Empowering the Young Minds" was an important initiative to raise awareness and educate children about the risks associated with substance abuse. By engaging children in discussions and activities, the session aimed to empower them with knowledge and skills to make healthy choices and resist peer pressure.

Recommendations:

1. Continued education and awareness programs on substance abuse prevention for children of all ages.
2. Collaboration with schools, parents, and community organizations to reinforce prevention efforts.
3. Regular evaluation and adaptation of prevention strategies to address evolving challenges and needs.

Computer Literacy Program

On February 13, 2023, Agape Blessed Foundation commenced its Computer Literacy Program with the aim of empowering underprivileged children with essential digital skills. The program was initiated with the generous donation of three laptops, marking a significant milestone in our efforts to bridge the digital divide and foster inclusive education.

The Computer Literacy Program commenced with the enrollment of six eager children from the local community. These children, who previously lacked access to technological resources, were selected based on their enthusiasm to learn and their commitment to participating in the program.

The cornerstone of the program's launch was the donation of three laptops. These laptops serve as indispensable tools for delivering computer-based education and facilitating interactive learning experiences. The laptops were strategically distributed among the participants, ensuring equitable access to resources and fostering a collaborative learning environment.

The Computer Literacy Program's curriculum was thoughtfully designed to cater to the diverse needs and skill levels of the participants. The curriculum encompasses essential computer skills such as basic operating system navigation, keyboard proficiency, internet literacy, and fundamental software applications.

Since its inception, the Computer Literacy Program has witnessed remarkable progress among its participants. The children have demonstrated commendable enthusiasm and dedication, eagerly embracing the opportunity to enhance their digital skills. Through hands-on learning experiences and personalized guidance, the participants have made significant strides in their technological proficiency, paving the way for future academic and professional success.

Cultivating Good Habits for Children - Empowering Young Minds

On February 13, 2024, Agape Blessed Foundation organized a transformative session aimed at cultivating good habits among children, focusing on empowering young minds. The session was meticulously designed to instill positive behaviors and attitudes in the participating children, thereby fostering personal development and growth.

The primary objective of the session was to equip children with essential life skills and habits that would contribute to their overall well-being and success. By cultivating good habits, we aimed to empower young minds to navigate life's challenges with resilience and confidence.

The session was conducted at the Agape Blessed Foundation premises and commenced at 3:00 PM, lasting until 4:00 PM. The event witnessed an enthusiastic participation of 30 children, aged between 8 to 12 years.

Child Sexual Abuse Prevention Session

On February 26, 2024 at MCD Primary School, Sultanpur Agape Blessed Foundation Trust organized session aimed to educate Class Vth children on the prevention of child sexual abuse, equipping them with knowledge and skills to recognize and respond to potential threats.

A total of 50 children from Class Vth actively participated in the session.

The session commenced with an introduction to the concept of child sexual abuse. Through age-appropriate language and examples, the children were made aware of what constitutes inappropriate behavior and the importance of speaking up if they ever feel uncomfortable.

Children were taught about personal boundaries and the significance of respecting their own and others' personal space. Role-playing activities were conducted to help them understand scenarios where boundaries might be violated.

The importance of having trusted adults to confide in was emphasized. Children were encouraged to identify and approach trusted adults such as parents, teachers, or school counselors if they ever encounter situations that make them feel uncomfortable or unsafe.

Through interactive discussions, children learned to differentiate between safe and unsafe touches. They were educated on the importance of trusting their instincts and seeking help if they experience any form of inappropriate touch.

The session focused on empowering children to communicate assertively. Strategies for expressing discomfort or seeking help were discussed, ensuring that children feel confident in speaking up against abuse or potential threats.

Children were encouraged to build support networks among their peers, fostering a culture of openness and support within their classroom and school environment.

Music Session with Manjil Mystics Organization

On March 1st, 2024, Agape Blessed Foundation Trust organized a delightful music session in collaboration with Manjil Mystics Organization. The event aimed to provide an enriching musical experience for children under the care of the foundation.

The primary objective of the music session was to introduce children to the joy of music and provide them with an opportunity to engage in interactive musical activities. Additionally, the session aimed to foster creativity, emotional expression, and social interaction among the children.

The session began with a brief introduction to different musical instruments and genres, setting the stage for an engaging musical experience. A skilled musician from Manjil Mystics Organization performed live guitar music, captivating the children with melodious tunes and rhythms. Children actively participated in learning new songs accompanied by the guitar. They were encouraged to sing along and express themselves through music.

Throughout the event, interactive sessions were conducted to encourage participation, creativity, and teamwork among the children.

Launch of Online Grammar Classes by Agape Blessed Foundation Trust

On March 2nd, 2024, Agape Blessed Foundation Trust, with the generous support of volunteers, has embarked on a new initiative to enhance educational opportunities for young students. Recognizing the importance of strong grammar skills in academic success, the Trust has initiated online grammar classes tailored for fifth-grade students to aid in their exam preparation.

The primary objective of these online grammar classes is to provide students with comprehensive support in mastering fundamental grammar concepts. By targeting fifth-grade students, the Trust aims to lay a strong foundation in language skills, which are crucial for their academic progression.

The curriculum for the online grammar classes has been meticulously crafted to align with the requirements of fifth-grade students. It covers essential grammar topics such as parts of speech, sentence structure, punctuation, and grammar rules. The classes utilize a combination of instructional videos, interactive quizzes, and live sessions conducted by experienced educators.

The success of this initiative is attributed to the dedication and commitment of volunteers who have generously offered their time and expertise to support the cause. These volunteers, consisting of educators and language enthusiasts, play a vital role in delivering quality education to students participating in the online grammar classes.

Happy Hours- Fun Activities by Agape Blessed Foundation Trust Activities

On March 4, 2024, the Agape Blessed Foundation Trust conducted a series of interactive fun activities at Mahila Samman Ashiyana, located in Malka Ganj. The aim of these activities was to bring joy, hope, and laughter to the residents, who were facing the challenges of sickness and boredom. The team from the foundation engaged with the residents through various means, including games, singing sessions, and distributing snacks.

Interactive Games: The team organized various interactive games to engage the residents and lift their spirits. These games included simple yet enjoyable activities that encouraged participation and teamwork.

Singing Sessions: Music has the power to uplift and inspire. The team organized singing sessions where both the residents and the volunteers sang songs together. This created a sense of camaraderie and joy among everyone present.

Distributing Biscuits and Namkeen: As a gesture of goodwill, the foundation distributed biscuits and namkeen to the residents. This not only provided them with a tasty treat but also showed them that they are cared for and valued.

Empowering Young Minds - HUZUR NAGAR, Telangana

Agape Blessed Foundation Trust embarked on a new initiative on March 11, 2024, aimed at empowering underprivileged children in Huzur Nagar, Telangana. This initiative, titled "Empowering Young Minds," was designed to support children below the poverty line in their educational journey.

The Trust initiated support for 20 children from underprivileged backgrounds to facilitate their education. This support includes covering educational expenses, providing necessary stationery, and ensuring access to educational resources.

To aid the educational endeavors of the children, the Trust distributed school bags equipped with essential supplies. These bags not only provide a means to carry their belongings but also symbolize the support and encouragement extended by the Trust towards their education. Recognizing the challenges posed by the scorching heat, especially in a region like Telangana, the Trust installed wall fan in the educational spaces utilized by the children. This initiative aimed to create a conducive learning environment by ensuring comfort during study hours.

As an expression of solidarity and to celebrate the commencement of this noble initiative, a group dinner was organized with the children. This provided an opportunity for the beneficiaries to interact with each other, the Trust members, and volunteers, fostering a sense of community and belonging.

Awareness Walk and session for World Down Syndrome Day

On March 21, 2024, Agape Blessed Foundation Trust actively participated in an awareness walk organized to commemorate World Down Syndrome Day. The event aimed to raise awareness about Down syndrome, promote inclusion, and celebrate the lives of individuals with Down syndrome. The walk took place in Vasant Kunj, and Agape Blessed Foundation Trust collaborated with Muskan NGO for this initiative.

The awareness walk commenced at Muskan School in Vasant Kunj. Participants from Agape Blessed Foundation Trust, Muskan NGO, NSS volunteers and members of the local community gathered to show support for individuals with Down syndrome. The walk route was adorned with banners, posters, and informative signage about Down syndrome, emphasizing the importance of acceptance and understanding.

Throughout the walk, volunteers engaged with passersby, distributing informational pamphlets and engaging in discussions to dispel myths and misconceptions surrounding Down syndrome. The vibrant atmosphere resonated with positivity and solidarity as participants walked together, symbolizing unity in promoting inclusivity and acceptance.

Following the awareness walk, Agape Blessed Foundation Trust organized an informative session at Agape Sultanpur aimed at creating awareness among children about Down syndrome. The session featured interactive activities, presentations, and discussions tailored to educate children about the condition in a child-friendly manner.

Volunteers and representatives from Agape Blessed Foundation Trust shared insights into Down syndrome, emphasizing the unique abilities and talents of individuals with the condition. The session encouraged empathy, kindness, and acceptance among children, fostering a culture of inclusion and support for individuals with diverse needs.

Holi Festival Celebration

On the vibrant occasion of Holi, the Agape Blessed Foundation Trust organized a heartwarming celebration filled with colors, joy, and empowerment for the young minds under its care. The event, held on the **23rd of March 2024**, marked a beautiful convergence of cultural festivity and the noble cause of nurturing and empowering children.

The foundation's commitment to the holistic development of children was vividly demonstrated through the festivities organized on this auspicious day. With a vision to imbibe values of love, unity, and inclusivity, the trust aimed to create an atmosphere where children could revel in the spirit of Holi while imbibing essential life lessons.

The celebration commenced with fervor as children, accompanied by volunteers and staff members, gathered in the terrace. Laughter and excitement filled the air as the young participants eagerly awaited the festivities to unfold.

As the event unfolded, children enthusiastically participated in traditional Holi rituals, such as applying vibrant gulal (colored powder) on each other, symbolizing the triumph of good over evil and the arrival of spring.

Moreover, to add to the joyous atmosphere, the children were treated to delectable gujiyas, a traditional sweet delicacy synonymous with Holi festivities. The distribution of gujiyas not only satiated their taste buds but also served as a gesture of love and care from the foundation.

Sanitary Pad Distribution at Malka Ganj by Agape Blessed Foundation

The sanitary pad distribution drive conducted by Agape Blessed Foundation at Malka Ganj on March 23, 2024, successfully fulfilled its objective of supporting women's menstrual hygiene needs. Through collaborative efforts and community engagement, the initiative made a positive impact on the lives of women in the locality, emphasizing the importance of continued support in addressing menstrual health challenges among underprivileged communities.

Session on Disaster Management

On the 26th of March 2024, the Agape Blessed Foundation Trust conducted a session at Sultanpur aimed at empowering young minds in disaster management. The session was designed to educate children on the importance of disaster preparedness, response, and recovery, thereby equipping them with the necessary knowledge and skills to deal with emergencies effectively.

The session began with an overview of different types of disasters, including natural disasters such as earthquakes, floods, and storms, as well as human-made disasters like fires and accidents. Visual aids, including videos and images, were used to engage the children and facilitate better understanding.

Children were educated about the significance of being prepared for disasters. They were taught about the importance of having emergency kits, creating evacuation plans, and staying informed about potential risks in their communities.

Practical demonstrations and hands-on activities were conducted to teach children basic skills such as first aid, fire safety, and search and rescue techniques. Trained professionals and volunteers guided the children through these activities, ensuring active participation and skill acquisition.

The session emphasized the importance of community involvement in disaster management. Children were encouraged to actively participate in community preparedness initiatives and to spread awareness among their families and peers.
